

## Who shall Attend?

Research Scholars, Faculty & Industry Personnel can attend and present their papers

## Payment through (For External Participants)

<http://www.vitchennaievents.com/conf/>

## Register Online @ (For External Participants)

<https://forms.gle/2JHaQXVz2bU7xBHU9>

## Submit Abstract to

[vitcc.ncset2021@gmail.com](mailto:vitcc.ncset2021@gmail.com)

## Registration/Presentation Fee:

ResearchScholars/	:	Rs. 750/-
Faculty /Industry Personnel	:	Rs. 1000/-
VIT Student /Research Scholar/Faculty	:	No Fee

Participation : Rs 500

## Publications

All papers presented will be published in Conference Proceedings with ISBN Numbers.

Selected papers will be published in any of the following Journals based on the peer review (Additional charges applicable):

1. IOP Conference series: Materials Science and Engineering (Scopus)
2. International Journal of Recent Technology and Engineering (Scopus)
3. International Journal of Advanced Research in Engineering and Technology (Scopus)
4. International Journal of Management (Scopus)

## VIT CHENNAI

VIT has made a mark in the field of higher education in India imparting quality education in a multi-cultural ambience, intertwined with extensive application-oriented research. VIT was established by well-known educationalist and former parliamentarian, Dr. G. Viswanathan, Founder and Chancellor, a visionary who transformed VIT into a center of excellence in higher technical education. VIT was established with the aim to provide quality higher education on par with International Standards. The Chennai campus, VIT Chennai, started functioning from 2010, persistently seeks and adopts innovative methods to improve the quality of higher education on a consistent basis. Govt. of India recognized VIT as an Institution of Eminence (IoE). MHRD, Govt. of India ranked VIT as No.15 among the Engineering Institutions (NIRF-2020 ranking). VIT Chennai is ably spearheaded by Dr. Sankar Viswanathan, Vice President, Ms. Kadhambari S. Viswanathan, Assistant Vice President, Dr. Rambabu Kodali, Vice Chancellor, and Dr. V. S. Kanchana Bhaaskaran, Pro Vice Chancellor.

The focus of VIT Chennai:

- To maximize the Industrial connectivity
- To create Centers of Excellence in contemporary areas of research
- To enrich Technological and Managerial Human Capital nurtured in a multicultural ambience
- To provide a common platform for the agglomeration of ideas of personnel from various walks of life for learning enrichment
- To create opportunities and exploit the available resources to benefit industry/society
- To encourage participation in the National Agenda of knowledge building
- To foster International collaborations for mutual benefits in areas of research.

## About SENSE

The School of Electronics Engineering (SENSE) at VIT was established for imparting the state-of-the-art education, training and research in the field of Electronics & Communication Engineering and allied areas. It offers two B.Tech. programmes, one in Electronics and Communication Engineering (ECE) and another in Electronics and Computer Engineering (ECM), two M.Tech. programmes one in VLSI Design and another in Embedded Systems, Ph.D. in the related domains of ECE & ECM. The expertise of the faculty members includes VLSI Design, Communication Engineering, Embedded Systems, MEMS, Nanoelectronics and Nanotechnology, Photonics and Signal Processing.

## About the Conference

The 20<sup>th</sup> National Conference on Science, Engineering and Technology is organized by School of Electronics Engineering. This conference is a platform for all individuals and national organizations to present their scientific findings and get it published. This conference also paves way to budding engineers and researchers to work on novel solutions to the identified research problems.

## Contact Persons

(20<sup>th</sup> NCSET Coordinators)

## Theme of the Conference

The Theme of NCSET 2021 is “Innovations & Smart Technologies.” The current pandemic situation caused by COVID19 had held researchers mostly away from their laboratory to work with smarter technologies and innovate more in their fields. Also, this hasn't curtailed the research fraternity in focusing their effort on scientific and technological advancements through virtual labs and simulation work. Thus, the conference theme ensures to bring out all these findings and study on one platform and show the world how researchers and technologists have contributed to the technological advancements and to present their scientific findings and get them published during this pandemic era.

## CHIEF PATRON

Dr. G. Viswanathan, Founder and Chancellor

## PATRON

Dr. Sankar Viswanathan, Vice President  
Ms. Kamdhambari S. Viswanathan, Assistant Vice President

## CHAIR

Dr. Rambabu Kodali, Vice Chancellor

## CO CHAIR

Dr. V.S. Kanchana Bhaaskaran, Pro Vice Chancellor

## CONVENORS

Dr. A. Sivasubramanian, Professor and Dean, SENSE  
Dr. Augusta Sophy Beulet P., Associate Professor, SENSE

## Important Dates

Last Date for Abstract 31<sup>st</sup> May 2021

Intimation of Acceptance 1<sup>st</sup> June 2021

Last date for Full paper submission 5<sup>th</sup> June 2021

Last date for Registration 6<sup>th</sup> June 2021

Conference Date 7<sup>th</sup> and 8<sup>th</sup> June 2021

## Organizing Committee
