# VIT®

**Vellore Institute of Technology**
(Deemed to be University under section 3 of UGC Act, 1956)

## Circular

**Sub: Conduct of CAT examinations (Applicable for all Senior students of M.Sc and LAW Programmes)**

- As per norms, internal assessments will include two Continuous Assessment Tests (CAT – I and CAT – II). This is in addition to the digital assignments, quizzes, group discussions, seminar and other activities, as per the requirement of the course.

- Details of internal assessments will be available in VTOP for the course as informed by the faculty.

- Schedule for both CAT – I and CAT – II is given below. Slot-based schedule is followed for all programmes.

- Duration for both CAT – I and CAT – II will be 45 minutes and will be for a maximum of 30 marks. However, as per regulation, the weightage for CAT – I and CAT – II is 15%, each.

- Type of questions, for both CAT – I and CAT – II is short and long answers. Be prepared to scan and upload the answers, as per the course requirement. The type and number of questions will be decided by the course faculty and is dependent on the nature of the course. Additional timing of 15 minutes will be given to scan and upload the answers. Files uploaded should be in PDF format.

- Both CAT – I and CAT – II are open book type of examinations.

- CAT will be conducted using CodeTantra platform with remote proctoring.

- There will be no regular classes during CAT weeks except for LAW programmes

- As this is a proctored examination, it is mandatory to turn-on the video during the entire duration of the test.

- Only those students who meet the minimum attendance criteria will be permitted to take CAT – I and CAT – II. Marks will not be considered even if the debarred student attempts the continuous assessment tests. That will be considered just as a practice test.

- As per norms, 9.0 pointers are exempted from minimum attendance criteria.

- For calculating the eligibility, attendance will be considered till 09-09-2021 for CAT-I and 21-10-2021 for CAT-II. Debar information will be available on VTOP on 11-09-2021 and 22-10-2021, for CAT-I and CAT-II, respectively.

- All rules and regulations notified in previous semesters, using the CodeTantra platform are applicable for CAT examinations.
