

## SCHOOL OF ELECTRICAL ENGINEERING

---

**Name of the Professional Society: ENFUSE Student chapter**

**Faculty Advisor: Dr.A.Peer Fathima**

---

### **About ENFUSE:**

ENFUSE student chapter has been established in the year 2013 in VIT, Chennai jointly collaborated with Energy & Fuel users' Association of India, Chennai.([www.enfuse.org](http://www.enfuse.org)). The student chapter is inaugurated on 30/10/13 by Mr.S.Ramalingam, President- ENFUSE & former Chaiman CPCL Ltd.

The main objective of this chapter is to create awareness among the student community about oil, fuel and energy conservation, understand the benefits of renewable energy generation and sustainable development.

The chapter is very active and conducted various activities such as experts lecture, Industrial visit, seminar, awareness programme, quiz programme, LPG clinic ,drivers clinic , Poster making contest etc.,in all the academic years 2013-14,2014-15,2015-16,2016-17,2017-18,2018-19,2019-20 which are listed below.

Apart from that "Energy &Fuel users' journal"- quarterly issue is circulated to all student members from 2013 to till date. The student members are encouraged to submit articles papers in the journal. Certificates and prizes are issued to motivate the members to participate in all activities.

This chapter received the **Best student chapter ward in the year 2014-15.**
