

**School of Computer
 Science and Engineering
 VIT Chennai**

Organizes

**7th International Conference on Big data and Cloud
 Computing Challenges
 ICBC-2022**

22 - 23 September, 2022

The 7th International Conference on Cloud Computing and Big Data Challenges (ISBCC' 22) solicits high quality original research papers in all aspects of Cloud Computing and Big Data with emphasis on systems, services and management. We invite the submission of original, unpublished technical papers on topics including but not limited to:

- Big data algorithms, architecture and applications
- Cloud computing architecture, trust management and applications
- Cyber physical systems and IoT
- Context aware computing
- Security and privacy concerns in current computing scenarios
- Cognitive technology
- Artificial Intelligence and Deep Learning

PUBLICATION

All accepted papers will be published in Springer in their prestigious "Lecture Notes in Electrical Engineering" series (<https://www.springer.com/series/7818>) For detailed instructions for author and editors of conference proceedings, kindly visit the following link: <https://www.springer.com/us/authors-editors/conference-proceedings>

HIGHLIGHTS

- Eminent Speakers from across the globe to share their views on Big Data and Cloud Challenges
- Panel Discussion on Big Data and cloud challenges
- Technical Committee Comprised of leading academicians and Industrial experts

Registration Charges

- for Academicians/
 Research Scholars **Rs.8000/-**
- For industry participants **Rs.10000/-**
- For VITians **Rs.6000/-**

REGISTRATION
