

## Topics

Day-1

Java – features, OOPS using Java, Inheritance

Day-2

Packages, Exception handling, Multithreading

Day-3

Applet and swings, I/O, File handling, JDBC

Day-4

Generic programming, RMI, Servlets

## Resource Person:

Dr. Sandhya P & Dr. Radha R, SCOPE, VIT-CC

## E mail&Contact No:

[sandhya.p@vit.ac.in](mailto:sandhya.p@vit.ac.in), +91-7299480949

[rradha@vit.ac.in](mailto:rradha@vit.ac.in), +91-9444787294

## Registration Details:

Registration fee: Rs. 200/- Participants can register using the following link

<https://forms.gle/tQ3a4TczbHVwu1Jw8>

After registration, kindly use the following link for online payment:

<https://vitchennaievents.com>

Create an account using ([Login](#)<<[Create new account](#)) to complete the online payment and receipt will be generated after successful transaction.

Last date for registration and Online Payment:  
**04.03.2022**

Note: All registered and attended participants will be issued certificates

## About VIT:

VIT was established with the aim of providing quality higher education on par with international standards. It persistently seeks and adopts innovative methods to improve the quality of higher education on a consistent basis. The campus has a cosmopolitan atmosphere with students from all corners of the globe. Experienced and learned teachers are strongly encouraged to nurture the students. The global standards set at VIT in the field of teaching and research spurs us on in our relentless pursuit of excellence. In fact, it has become a way of life for us. The highly motivated youngsters on the campus are a constant source of pride. Our Memoranda of Understanding with various international universities are our major strength. They provide for an exchange of students and faculty and encourage joint research projects for the mutual benefit of these universities. Many of our students, who pursue their research projects in foreign universities, bring high quality to their work and esteem to India and have done us proud. With steady steps, we continue our march forward.

## About SCOPE:

History of computing discipline at VIT Chennai dates back to 2010, when the School of Computer Science & Engineering was established to meet the demand for well-qualified computer professionals. Fast forward to today, and VIT is known to be one of the best colleges for computer engineering in Chennai. The mission of the School is to strive persistently for achieving excellence in computing disciplines. It is being pursued through its spectrum of academic programs in computing of contemporary standards. As one of the best engineering colleges for computer science, our main aim is to produce computing graduates with potential, to design and develop systems involving the integration of software and hardware devices, employ innovative approaches in programming and problem solving. The aim is also to create Large Scale Software Systems and build data/computing infrastructure for an organization.
