Faculty External Participation

Learning is a lifelong activity. To equip themselves with the current trends of the industry, faculty members are encouraged to participate in workshops, seminars and conferences.

1. Dr. Vaidehi Vijayakumar, participated in the “QS Summer School Summit” at ITC, Chennai on 6/12/2016 .
2. Dr. Vaidehi Vijayakumar, participated and presented a research paper in the “6th International Symposium on Embedded Computing & System Design (ISED 2016)” in IIT Patna, from 14/12/2016 to 18/12/2016.
3. Dr. Vijayakumar, participated in the “Java IOT Developer Course”, which is sponsored by Oracle at ITC, Chennai on 8/12/2016.
4. Prof. Graceline Jasmine S and Prof. Vergin Raja Sarobin M , participated in the International conference on “Emerging Trends and Advances in Electrical Engineering and Renewable Energy (ETAEERE-2016)” in Sikkim Manipal Institute of Technology, Majhitar, Sikkim, from 17/12/2016 to 18/12/2016.
5. Dr. Renta Chintala Bhargavi attended a course on “Advanced Business Analytics using R” in IIT, Hyderabad, from 21/12/2016 to 25/12/2016.
6. Dr.Jagadeesh Kannan R, participated in the 5th international conference on “Computing, Communication and Sensor Network” in Kolkata, from 24/12/2016 to 25/12/2016.
7. Prof. Sivagami M, participated in the workshop on “Image and Speech Processing” in IIIT,Hyderabad on 24/12/2016.
8. Dr.Nagaraj attended “All India computer society congress” held in IIIT, Hyderabad, from 15/12/2016 to 17/12/2016 .
9. Dr.Nagaraj participated in the “ IEEE Technology Entrepreneur Summit” on 18/12/2016 at T-Hub, IIIT, Hyderabad.

Introduction of an Adjunct Professor

To expose students to real-world life experiences, adjunct professors from reputed foreign universities are arranged by the school.

Dr. Rajesh Kanna, introduced an adjunct professor Dr. Srinivas Katkoori, Dept. of CSE, College of Engineering, University of South Florida, USA, in to our school on 20th Dec 2016. It would lead to sharing the intellectual ideas and thoughts between VIT and South Florida University.

Doctoral Committee Meeting

Student Achievements

Gen 'Y' students look at the world with a bird's eye point of view. They always engage and equip themselves with updated technologies.

(1). Ms. Ashita Kawatra (14BCE1200) head of SPIE Student chapter SCSE VITCC, represented the SPIE chapter in ASPC (Asian Student Photonics Conference) at Manipal University, Manipal, Karnataka, India during Dec.12-14, 2016. She also presented a paper entitled, “**Study of scintillating fibers optical properties**” along with Mr. Rishabh Raj and Mr. Purushottam under the guidance of Dr.R.Navamathavan, SAS. Our special appreciations to Ms.Ashita and her team.

(2). Ms. Punithavathi-15PHD1015 (Supervisor: Dr. Geetha S, SCSE) published a paper entitled "Cancelable Biometric Template Security Using Segment-Based Visual Cryptography" in Springer (Advances in Intelligent Systems and Computing) on Dec.23, 2016. This was the extended version of her paper presented in the International Conference on Computer Vision and Image Processing, held at IIT Roorkee, during Feb.26-28, 2016. Our special appreciations to Dr. Geetha and Ms.Punithavathi.
