REGISTRATION FEE: Free

RESOURCE PERSON

Dr. Fiona Carroll

Human Computer Interaction (HCI),
Cardiff School of Technologies,
Cardiff Metropolitan University,
Llandaff Campus,
Western Avenue, Cardiff
Email: fcarroll@cardiffmet.ac.uk

ADDRESS FOR COMMUNICATION

Dr. Jayasudha M,

Associate Professor,
School of Computer Science & Engineering,
Vellore Institute of Technology
Chennai - 600127
Email: jayasudha.m@vit.ac.in, 9994979687

Dr. Kirthica S

Assistant Professor(Senior),
School of Computer Science & Engineering,
Vellore Institute of Technology
Chennai - 600 127
Email: kirthica.s@vit.ac.in, 9445655558

ABOUT THE WORKSHOP

Cyber-security experts implement defensive methods of security, in terms of using appropriate security and protection controls. It is important to note that even when a cyber security practice is legal, it may not be ethical. Unethical or ethically dubious cyber security practices can result in significant harm and reputational damage to network users, clients, companies, the public, and cyber security professionals themselves. This workshop aims at imparting the knowledge of right and wrong, and the ability to adhere to ethical principles while on the job. The participants will be exposed to the problematic implications posed and created by IT, including personal privacy, access right and harmful actions.

WHO SHALL PARTICIPATE

Academic Professionals, Students, Research Scholars, Engineers from Industries and R&D organizations - Interested in sharing their thoughts and learning from Experts.

TOPICS

- Cyber security and Ethics
- Privacy and Surveillance
- Data and Ethics

PRE-REQUISITES

Participants should bring their own Laptop which should have Windows Operating System and Microsoft Office Version 2016 or Higher. It is preferable to have Office 365 for better analytical experience.

VENUE

AB2 - Smart Classroom

VIT[®]
Vellore Institute of Technology
(Deemed to be University under section 3 of UGC Act, 1956)

A Two-Day Workshop

on

CONVERGENCE OF CYBER SECURITY AND ETHICS

3rd and 4th April 2023

Coordinator

Dr. Jayasudha M
Dr. Kirthica S

Organized by

Office of International Relations
&

VIT Chennai

VIT - A place to learn; A chance to grow

ABOUT VIT

VIT has made a mark in the field of higher education in India by providing quality education on par with institutions of international standards, through its 38 years of existence in a cross-cultural ambience with extensive application-oriented research. VIT was founded in 1984 by Dr. G. Viswanathan, a former parliamentarian and Minister in the Tamil Nadu Government, as a self-financing institution called Vellore Engineering College. Since then, the institution has grown from strength to strength. Conferred on the status of Deemed to be university in 2001 by MHRD, VIT currently offers UG, PG and Research programmes on its four campuses at Vellore, Chennai, Bhopal and Amaravati.

ABOUT VIT CHENNAI

VIT Chennai is a globally engaged, competitive, comprehensive and research-enriched campus strategically positioned in the capital city of Tamil Nadu, to respond to major industrial, social, economic and environmental demands and challenges. It persistently seeks and adopts innovative methods to improve the quality of higher education on a consistent basis. The campus has a cosmopolitan atmosphere with students from all corners of the globe. Experienced and learned teachers are strongly encouraged to nurture the students. Our Memoranda of Understanding with various international universities are our major strength. They provide for an exchange of students and faculty members and encourage joint research projects for the mutual benefit of these universities. VIT Chennai is ably spearheaded by the Vice Presidents: Mr. Sankar Viswanathan, Dr.

Sekar Viswanathan, Mr. G.V. Selvam and Assistant Vice President: Ms. Kadhambari S. Viswanathan, Vice Chancellor: Dr. Rambabu Kodali and Pro Vice Chancellor: Dr. V. S. Kanchana Bhaaskaran.

The focus of the university is:

- To maximize the Industrial connectivity
- To create Centres of Excellence in contemporary areas of research
- To enrich Technological and Managerial Human Capital nurtured in a multicultural ambience
- To provide a common platform for agglomeration of ideas of personnel from various walks of life for learning enrichment
- To create opportunities and exploit available resources to benefit industry / society
- To encourage participation in the National Agenda of knowledge building
- To foster International collaborations for mutual benefits in areas of research

ABOUT SCOPE

The School of Computer Science and Engineering (SCOPE) was established for imparting state-of-the-art education, training and research in the field of Computer Science and allied areas through its UG, PG and Ph.D. Programmes.

- B.Tech. Computer Science & Engineering (4 years)
- B.Tech. Computer Science and Engineering with Specialisation in Artificial Intelligence and Machine Learning
- B.Tech. Computer Science and Engineering with Specialisation in Cyber Physical Systems
- B.Tech. Computer Science and Engineering with Specialisation in Artificial Intelligence and Robotics

- M.Tech. Software Engineering (5-Year Integrated Programme)
- M.Tech. Computer Science and Engineering with Specialisation in Business Analytics (5-year Integrated Programme)
- M.Tech. Computer Science and Engineering with Specialisation in Artificial Intelligence and Machine Learning (2 years)
- M.Tech. Computer Science and Engineering (2 years)
- M.Tech. CSE with Specialisation in Big Data Analytics (2 years)
- Master of Computer Applications (2 years)
- Ph.D. Programmes in the domain of Computer Science and Engineering.

VISION & MISSION OF SCOPE

Vision

- To be a world-renowned centre of education, research and service in computing and allied domains

Mission

- To offer computing education programs with the goal that the students become technically competent and develop lifelong learning skills
- To undertake path-breaking research that creates new computing technologies and solutions for industry and society at large
- To foster vibrant outreach programs for industry, research organizations, academia and society
