

VELLORE INSTITUTE OF TECHNOLOGY

VIT has made a mark in the field of higher education in India by providing quality education on par with international standards, through its 35 years of existence in a cross-cultural ambience with extensive application-oriented research. VIT was founded in 1984 by Dr. G. Viswanathan, a former parliamentarian and Minister in the Tamil Nadu Government, as a self-financing institution called Vellore Engineering College. Since then, the institution has grown from strength to strength. Conferred as Deemed to be university in 2001 by MHRD, VIT Currently offers UG, PG and Research programmes in its four campuses at Vellore, Chennai, Bhopal and Amaravati.

VIT CHENNAI

VIT Chennai is a globally engaged, competitive, comprehensive and research-enriched university campus strategically positioned in the capital city of Tamil Nadu, to respond to major industrial, social, economic and environmental demands and challenges. VIT Chennai is ably spearheaded by, Ms. Kadhambari. S. Viswanathan Assistant Vice President, Dr. Sandhya Pentareddy, Executive Director, Dr. Rambabu Kodali, Vice Chancellor and Dr. V. S. Kanchana Bhaaskaran, Pro Vice Chancellor of VIT Chennai. They share in the mission to make VIT a global center. The focus is to:

- To maximize the Industrial connectivity.
- To create Centres of Excellence in contemporary areas of research.
- To enrich Technological and Managerial Human Capital nurtured in a multicultural ambience.
- To provide a common platform for the agglomeration of ideas of personnel from various walks of life for learning enrichment.
- To create opportunities and exploit the available resources to benefit industry/society.
- To encourage participation in the National Agenda of knowledge building.
- To foster international collaborations for mutual benefits in areas of research.

ABOUT SCOPE

The School of Computer Science and Engineering at VIT University was established for imparting a state of art education, training and research in the field of Computer Science and allied areas. It offers B.Tech (CSE), B.Tech (CSE with specialization in Artificial Intelligence and Machine Learning), B.Tech (CSE with specialization in Cyber Physical Systems), B.Tech (CSE with specialization in Artificial Intelligence and Robotics), M.Tech (CSE), M.Tech (CSE with specialization in Cloud Computing), M.Tech (CSE with specialization in Big Data Analytics, MCA, M.Tech (Software Engineering) , M.Tech (CSE with specialization in Business Analytics), M.Tech(CSE with specialization in Artificial Intelligence and Machine Learning), M.Tech (CSE with specialization in Artificial Intelligence and Machine Learning) &Ph.D. research programs in the domain of Computer Science and Engineering. The expertise of the faculty members includes Artificial Intelligence, Theoretical Computer Science, Data Mining, Cloud Computing, Big Data Analytics, Distributed Computing, Networks, Software Engineering, Signal Processing, Image Processing, Speech Processing, High Power Clustering, Networks & all frontier areas.

Who can attend?

This workshop is mainly intended for students who would like to learn deep learning techniques in multimedia event detection applications.

REGISTRATION DETAILS

Registration Fee: Rs.200/-

The participants can register using this link:

<https://forms.gle/cjPCLJS7oLmqTHJy9>

After the registration, click this link <https://vitchennaievents.com>,

and create an account by:

Login>> Create New Account, to complete the online payment. As soon as the transaction is completed successfully, e-receipt will be generated. Only the paid participants will be able to attend the Workshop.

Last date for registration and Online Payment: 31st August 2021

Confirmation and the meeting details will be shared with the participants through the mail.

The participants who attended all the sessions, online activities, and complete the feedback will receive the E-certificate.
