

## Conference Publications

### 2016 PUBLICATIONS

SNO	Authors	Title	Conference	Beg. Page	End. Page	Month
1.	Senthil Kumar M, Annamalai K & Vrushabh Babaji Sawant	Evaluation of Mechanical Properties of Banana Fiber Reinforced with Epoxy Composite	international conference on Advances in Mechanical Engineering (ICAME)	617	622	January
2.	Shijo Thomas , V Umasankar	Development and Characterisation of Aluminium Alloy Composites Reinforced With Multi Walled Carbon Nanotube by Powder Metallurgy Route	International Conference	60	63	January

3	Saruk Ajith suresh, G.Sakthivel	A Systematic Approach to Develop PLC Program for Automation of a Glass Handling Gantry System in Automobile Industry	International Conference	87	91	March
4.	Darshandeeep B I, Sivakumar R, Subramaniam S, Jussi Oksanen	Design and analysis of spaceheater for boat	International conference	27	32	August
5.	Seetharaman S, Mahesh S V, Ganesh T, Sivakumar R	Design and Experimental analysis of eliptor rotor	National conference on Futuristic advancement in mechanical engineering	125	130	August
